Travel Tips

Katherine Gorge

How to Get There

BY AIR

Qantas and Jetstar service Darwin and Alice Springs from capital cities throughout Australia. Qantas offers direct flights to Uluru (Ayers Rock) from Cairns, Jetstar from Sydney and Melbourne.

FLIGHT DURATION

FROM / TO	DARWIN	ALICE SPRINGS	ULURU (AYERS ROCK)

Cairns	2 hrs 25 mins	2 hrs 5 mins	2 hrs 25 mins
Perth	3 hrs 35 mins	2 hrs 45 mins	–
Darwin	–	2 hrs 5 mins	–

The above table shows flight durations for direct flights only. Connecting flights from other destinations are also available. Times are a guide only and subject to change.

BY RAIL

Take the ultimate journey through the heart of Australia on The Ghan. This amazing rail journey begins in Adelaide and traverses the Red Centre, passing through Alice Springs and Katherine before concluding in Darwin in the Top End (also operates in reverse). See pages 10 and 11 for more details.

BY CAR

Take the time to explore and discover as you make your way through the Northern Territory by road. Whether it's getting there, or getting around, we recommend Avis and Budget car hire. See pages 17 and 18 for details or ask your travel agent about the great specials on offer. We offer a selection of suggested driving itineraries, providing you with the freedom to see the Northern Territory at your own pace. Refer to the Self Drive Holidays starting on page 14 for more details.

Speed limits apply in all urban areas and highways of the Territory. Travellers should drive at a speed that suits the road, vehicle, weather conditions and their driving experience. Avoid driving after dark as cattle and wildlife often congregate alongside outback highways.

National Park Entry Fee

A national park entry fee applies for visitors to Kakadu National Park and Uluru-Kata Tjuta National Park. Many properties and tours do not include this fee so it is essential to purchase a national park entry ticket prior to commencing your holiday. Tickets can be purchased from National Park Entry Stations. Kakadu National Park tickets are valid for seven consecutive days. Uluru-Kata Tjuta National Park tickets are valid for three consecutive days.

Aboriginal Culture

Almost one quarter of the Northern Territory's population are Aboriginal people and approximately half of the Territory is Aboriginal owned land. Family business and ceremonies are important to Aboriginal people and these matters take priority, which may alter scheduled tours or restrict access to sites with spiritual significance.

Aboriginal Land Access

Driving over Aboriginal owned land and access into Arnhem Land is restricted. Visitors must apply for a permit from the Northern Land Council or alternatively choose a tour where operators have permission from the traditional owners to enter their land.

Swimming

The Northern Territory has many safe places to swim, including local nature reserves and in some national parks. Salt and Freshwater crocodiles are found in most Top End billabongs and rivers, and are occasionally seen on remote beaches. This is generally sign-posted, but if you are unsure, don't swim. Beach swimming is not recommended from October to April due to marine stingers.

Arnhem Land

The “Top End” is a geographical region which encompasses the northernmost section of the Northern Territory and, apart from the Cape York Peninsula, is also the northernmost part of the Australian continent. It covers an area of around 400,000 km², from the capital of Darwin across to Arnhem Land with the Indian Ocean to the west, the Arafura Sea to the North, the Gulf of Carpentaria to the east and with the almost waterless semi-arid interior of Australia to the south, beyond Kakadu National Park.

Darwin

The Territory's tropical capital, Darwin, is buzzing with activity amid a region rich in nature experiences. The multicultural city is an exciting blend of markets, museums, nightlife and natural attractions. Enjoy outdoor harbour side dining, alongside an unforgettable Darwin sunset. Explore the treasures of both Kakadu and Litchfield National Parks. Travel further and visit Tiwi Islands, Arnhem Land and Katherine.

Litchfield National Park and Katherine

South of Darwin, Litchfield National Park is 1,500 square kilometres of largely untouched landscape. The landscape is so diverse you will be taking in unusual rock formations and breathtaking waterfalls one minute, then checking out magnetic termite mounds the next. The vast Katherine region is full of hidden secrets and will have you spoilt for adventure choices. Katherine (Nitmiluk) Gorge is the area's major attraction, where you can see the Katherine River sliced through towering sandstone cliffs to form the famous gorge. Tour around the vast network of rivers and escarpments, visit a cattle station or explore nearby national parks and reserves.

Kakadu National Park and Arnhem Land

Kakadu National Park is a natural treasure. Amid the overwhelming 20,000 kilometre area, there's so much to see and do. Take delight in Indigenous culture and cruise the waterways through waterlilies, teeming with animals and birdlife. Waterfalls dot the entire region and if you're keen for a dip, head to the plunge pools of Jim Jim and Twin Falls. Back on land, discover the Indigenous rock art of Nourlangie Rock and Ubirr, some of the best examples of Aboriginal rock art found in the world today. Take a look inside Aboriginal-owned Arnhem Land for an authentic taste of Indigenous culture, preserved in the most beautiful of settings. Experience some of the best fishing in one of the most unspoilt areas in the world. Appreciate the breathtaking landscape that offers everything from towering escarpments to wild coastlines and deserted islands.

HIGHLIGHTS:

- Airboat Rainforest Cruise and fast laps
- Helifishing
- Deep sea fishing
- Scenic flight over Cobourg Peninsula
- Victoria River Settlement tour

Experience Australia's wild side as you travel by chopper from Darwin through the epic landscapes of the Top End. Stop by the floodplains of the Finniss River to visit prehistoric crocodiles, birdlife and wild boars. Experience the thrill of airboat rides, a door-less helicopter flight and the overwhelming beauty.

Fly to Cobourg Peninsula Coastal Camp where you'll settle in for the next four days. Experience living off the land and dining under the stars. Cruise to some of the most remote fishing locations on a high speed catamaran and in a R44 helicopter. From hidden freshwater lagoons and rivers, to blue water reefs,

fish for Barramundi, Jewfish, Golden snapper and more!

As the Territory's largest Marine Park, Cobourg is teeming with amazing marine life including six species of marine turtle, dolphins, sharks, crocodiles, stingrays and mud crabs. Go mud crabbing using the traditional Aboriginal methods and explore the coast by foot. This really is the Ultimate Northern Adventure.

Day 1: Darwin to Cobourg Peninsula Coastal Camp

Departing from the Casino's waterfront helipad you will make your way over Darwin Harbour towards the floodplains of the Finniss River region where you will land on Sweets Lagoon for adventure at its best.

Enjoy a river cruise through the wetlands in search of crocs, birds and other wildlife. And get your heart racing with helicopter joy flights and airboat fast laps through the rainforest channels. Depart Sweets

Lagoon and fly towards Cobourg Peninsula where you'll land at a picturesque coastal camp for the next four nights accommodation and enjoy dinner under the stars. (LD)

Day 2: Cobourg Peninsula Coastal Camp

Awake to the sound of birds and enjoy a special 'Cobourg-style' cooked breakfast. Today will be spent ocean fishing and exploring the Northern Territory's largest Marine Park by boat. Cobourg is abundant in some amazing marine life including six species of marine turtle, dolphins, sharks, crocodiles, stingrays, mud crabs and plenty of fish. The luxury Catamaran 'Category 5' will take you to some of the best ocean fishing imaginable. Tonight enjoy a freshly caught seafood dinner. (BLD)

Day 3: Cobourg Peninsula Coastal Camp

Today, explore the eastern side of the Park this time by four wheel drive. Cobourg is home to the

first RAMSAR wetland (wetlands of international importance) in the world with freshwater paperbark swamps and billabongs 100 metres from the coastline.

Continue on via the northern beaches, commonly used as turtle nesting areas and covered in a wide range of shells. Low tide provides opportunities to explore exposed coral reefs and rock pools which are home to a variety of marine life.

After lunch you will have an opportunity to go hunting for mud crabs using traditional Aboriginal methods. Learn how to hunt and gather these local delicacies before having a go yourself. **(BLD)**

Day 4: Cobourg Peninsula Coastal Camp

Today, mix things up a little. Half of the group will start the day helifishing, touching down in some of the most remote fishing locations only accessible by helicopter. The other group will explore the creeks and estuaries by foot and go barramundi fishing. After a delicious lunch, the groups will swap activities and make it back to the camp by nightfall for another campfire dinner. **(BLD)**

Day 5: Cobourg Peninsula Coastal Camp to Darwin

Established prior to Darwin as a military outpost by the British, this site represents the third failed attempt at settlement in Northern Australia. HOW TO BOOK

Contact your travel agent, call 1300 726 138 or go to territorydiscoveries.com and request a reservation. All verbal quotes provided are an estimate only and subject to change until confirmed in writing.

PRICES & CONDITIONS

This brochure was printed on 8 December 2017. The prices in this brochure are valid for travel from 1 April 2018 to 31 March 2019, unless otherwise stated, are in Australian dollars and include GST, where applicable. All prices are subject to availability, subject to change and can be withdrawn or varied without notice. Price changes may occur by reason of matters outside our control which increase the cost of the product or service. Such factors include (without limitation) adverse currency fluctuations, fuel surcharges, taxes and airfare increases. Surcharges and minimum stays may apply due to demand, Christmas and New Year's Eve, school and public holidays, special events and other circumstances. All prices are the lowest available prices at the time of print and are a guide only. Please check all prices, availability, fees, conditions and information with your travel agent before booking.

If we have to change any part of your booking for reasons beyond our control, for example, an Accommodation Supplier overbooks accommodation, or if there is an increase in taxes or Supplier charges, we will notify you. If any such changes result in your holiday costing more or otherwise being materially different from that originally booked, you may cancel the booking and we will refund any monies already paid less any charges levied by Suppliers.

PRICES DO NOT INCLUDE

Anything not specifically indicated as being an inclusion.

DEPOSITS & FINAL PAYMENTS

Deposit

A minimum non-refundable deposit of \$55 per person is payable within 7 days of confirmation of your booking. You will be notified at the time of booking if any additional deposit requirements apply.

Final Payment

Final payment of your holiday cost is required at least 30 days (45 days for The Ghan 14 Day Territory Adventure Rail Holiday Package, and 125 days for the Ultimate Outback Rail Journey) prior to departure or by sale end date or by the payment deadline specified in individual package conditions, whichever is earlier. Some services, including airfares, may require full payment at the time of booking. For bookings made less than 31 days (45 days for The Ghan 14 Day Territory Adventure Rail Holiday Package and 125 days for the Ultimate Outback Rail Journey) prior to travel, full payment of holiday cost is required at the time your booking is confirmed.

Please ensure payments are made by the due dates. If this does not happen, our system will automatically cancel the booking without notice or liability to you.

Only upon payment of the full cost of your holiday do you have a final booking with the Supplier of the relevant good and/or service. In arranging your booking, Territory Discoveries is acting as the agent of the Supplier of the relevant Product and at no time do you have a contract with Territory Discoveries.

CREDIT & DEBIT CARD SURCHARGES

A fee will apply for payments made by debit and credit cards. Please check this fee with us or your travel agent when booking.

FEES

Amendment Fees

If you wish to change your booking prior to departure, an amendment fee of \$30 will be charged, if the overall value of the booking remains the same or decreases, in addition to any fees imposed by the Supplier of each service booked.

Air Ticket Reissue Fees

If you wish to change your flight booking after the ticket has been issued, a reissue fee of \$22 per ticket will be charged, in addition to any fees imposed by the Airline.

Late Booking Fees

A fee of \$30 will be charged for all bookings made less than 7 days prior to travel.

All fees can be varied without notice.

CANCELLATIONS & REFUNDS

Prior to final payment: Your deposit is forfeited.

After final payment: There will be no refund of your deposit, in addition to any fees imposed by the Supplier, which may be up to 100% of monies paid.

After travel: There will be no refund for cancellation once travel has commenced. There will be no refund for unused services unless cancelled prior to travel date, with the exception of OPEN DATED services where the service is unused due to rain for the entire stay. Requests for refunds received more than 6 months after departure date will not be accepted.
